**ORDER**

**Adopted: August 9, 2012****Released: August 9, 2012**

By the Chief, Wireline Competition Bureau:

1. On July 30, 2012, U.S. South Communications, Inc. (U.S. South) filed an Application for Full Commission Review (Application for Review) of a declaratory ruling issued by the Wireline Competition Bureau (Bureau) in this docket on June 29, 2012.<sup>1</sup> On August 6, 2012, GCB Communications, Inc. and Lake Country Communications, Inc. (collectively, "GCB") filed a motion seeking an extension of time in which to respond to the Application for Review to August 31, 2012 (from August 14).<sup>2</sup> That same day, American Public Communications Council ("APCC") and APCC Services, Inc. (collectively, APCC) filed a similar motion for extension of time. U.S. South does not object to the requested extension.<sup>3</sup>

2. For good cause shown, we grant the GCB and APCC motions. Issues in the Application for Review involve complex matters, and there is no indication that any harm to a party would result from extending the time for filing a response in this case because the request is unopposed.
